## Providing Solutions to Every Challenge

Specialists in the supply of electrical cables, lifting solutions, pump systems, lubricants and marine protection systems whilst offering both offshore and onshore journey management and maritime support, Executive Logistics are also the proud business Partner of Damen Shipyards, the most sustainable and connected shipbuilder in the world.

Executive Logistics was created by a nucleus of Partners with an extensive wealth of combined experience and over 80 years of operating in Mozambique, dedicated to driving local content growth in maritime, security, operations, procurement, consultancy and Government relations

It is our aim to offer strategic partnerships ensuring service excellence whilst providing a plethora of quality services through various international companies and brand names.

We believe the key to our success is our understanding of the unique challenges that Mozambique presents and in our providing the relevant and realistic solutions to our clients.
